

The Dolloff-Holt Trust

Dear Friends of the Dolloff-Holt Family,

We have watched Handi's health decline over the past three years and most dramatically during this past year. She has battled infection, endured eleven surgeries in an eighteen-month period, and as a result, is living with organ damage, severe pain and mobility issues.

As you might imagine, the medical bills have been staggering, in part because the first two years Handi had no out of pocket maximum limit in her health insurance policy. Additionally, Handi and Jeff have lost a substantial amount of income because she had to go on long term medical leave, something she truly did not want to do. Throughout all of this they have been very frugal and have cut many unnecessary expenses, including eliminating one of their two vehicles. Their hope is to allow Emily and Sydney to continue competitive swimming, as it is an outlet for them and they are both approaching national level of competition.

We want to let you know that a trust has been established for the Dolloff-Holt Family. A group of their friends from Mountain View United Methodist Church in Woodland Park, CO have organized a way for all to contribute to the financial needs and emotional peace of mind for the family.

If you would like to contribute to the trust, please make a contribution payable to:

The Dolloff-Holt Trust

Mail to: Michael A. Kirtland, Trustee

Kirtland & Seal, LLC

P.O. Box 2682

Colorado Springs, CO 80901

Your gift to the Dolloff-Holt Trust is a personal gift and is NOT tax deductible.

We know that many wonderful friends have visited, provided meals and transportation, and for this, we are so grateful. We offer our sincere thanks for your kindness and generosity.

Yours in faith,

Heidi Dolloff Noyce & Holly Dolloff Gallant

(Handi's sisters)
