

Discovery Place Preschool has a summer camp that will begin on June 5 for children ages 18 months up to 10 years of age. We have been busy planning summer camp. So far, for our older summer camp students (3+), we have a magician scheduled for a few visits, we have mad science scheduled to visit a few times, we have splash days planned, and more! We love doing art, sensory and some cooking with our students during the summer months. We also understand that it's important to continue learning throughout summer, so we will take a little time each day to review age-appropriate concepts. For our older students, this will include a bit of reading or writing, while our younger students will review more basic academic concepts. Don't worry though; summer camp will be SO fun, they may forget they're learning!

This summer we are extending our drop off and pick up times slightly. We will offer drop-off beginning at 8:45 and pick up will be at 12:15. We hope this will help accommodate more schedules and allow the students a bit more time at preschool for learning, fun and socialization. To figure tuition for summer, we have taken an average of all the days in each month and given a monthly tuition rate. August is a short month, so we have averaged that out at a different rate than June and July. In order to cover our special activities, we request that each child be assessed a fee to help cover special visitors and various summer activities. The fee is \$25 for the first child in the family and \$10 for each additional child in the family. Fees and tuition can be paid by clicking on the link at the bottom of our website.

Tuition rates for summer are as follows:

June & July (due each month)-

1 day/week: \$75/month

2 days/week: \$150/month

3 days/week: \$220/month

August-

1 day/week: \$40/month

2 days/week: \$75/month

3 days/week: \$110/month

If you choose to pay for the entire summer at once, you can do so by June 15th for a 5% discount. Otherwise tuition for June and July is due by the 15th, while August's tuition is due by August 1st since it's a short month.
