“Take my voice and let me sing
Always, only for my King;
Take my lips and let them be
Filled with messages from Thee.”

We are pleased for the opportunity that _____ has to participate in the Choristers Choir for the 2013-2014 school year. As God gives us strength, we will do our best to be dependable and cooperative and to be present for all appearances, unless emergencies or sickness make an absence necessary. In case of the latter we will try to inform the director before the absence, if possible.

We recognize this commitment is for the duration of the current school year.

August 1, 2013

Dear Parents,

A new school year and a new choir season are here, and with them come opportunities to help our children develop one of their most precious gifts – the singing voice. This fall brings extra excitement for me as I organize and anticipate special activities for your child(ren) in the Choristers Choir.

As you would expect in any Christian choir, my foremost goal is to enable your child(ren) to participate in meaningful worship, teaching them scripture, stories, and hymns while developing their musical talents in order that they can share something of their very own to the greater glory of God and to help proclaim His great love and Word to the congregation through song. To assist them in doing this, I assure you and your child(ren) of my best effort as I seek to help them develop their singing voice more nearly to its potential. At the same time, I hope to give your child(ren) a sense of community with the choir members and congregation.

Now is the time to “get started.” The first rehearsal of the Choristers Choir will be Sunday, September 8th at 11:30am in the chapel. Thereafter, regular weekly rehearsals will be on Sunday from 11:30am-12:15pm in the chapel. Please refer to the attached schedule for dates we sing in worship, as well. I also want to introduce Landon Welch as the Choristers co-director. He brings a love of children, faith and music to our group. I am ecstatic he has joined our team. Welcome, Landon!

If you have concerns or questions of any kind, please feel free to email, call or text me and let me know the best way and time to reach you. I truly look forward to a great year of music and growth with your child(ren). I hope your child(ren) will be part of this choir experience.

In His service,

Sarah Lea
